**Subject:** PA Land Conservation  
**Attachments:** Pennsylvania Land Conservation Toolbox Addition.docx

Hello All,

Thank-you for taking the time to talk through Pennsylvania's Land Conservation Scenario. I have pulled together a write up on Pennsylvania's Scenario with the help of Jessica. This write up is recommended to be incorporated into the County's Technical Toolbox. Please review the write up we have pulled together, and provide comments and feedback by Friday COB.

Thanks,  
Jordan
